Terminal Disclaimer

Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified patent application, which would extend beyond the expiration date of the full statutory term, as presently shortened by any terminal disclaimers or extended by any patent term extensions, of U.S. Patent No. 6,737,975. Petitioner hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to U.S. Patent No. 6,737,975 and the legal title of the above-identified application, and any patent granted thereon, remain common. This agreement is to run with any

patent granted on the above-identified application and is to be binding upon the grantee, its successors, and assigns.

Limitations on the Disclaimer

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 6,737,975 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.R.R. § 1.321(a), has all claims cancelled by a re-examination certificate, or is otherwise terminated prior to the expiration date of its statutory term, except for the separation of legal title as stated hereinabove.

Fee Status

A check in the amount of \$65.00, which is required under 37 C.F.R. §1.20(d) to file a statutory disclaimer, is enclosed herewith.
